Subject: Georgia Open Records Act Request Expenditures relating to visits from federal officials (DeKalb County Police Department), Matter 26-49270-19

Dear Emma Best:

Re: Georgia Open Records Request; Matter# 26-49270-19

Thank you for your request to review county records. On September 17, 2019, I received your Open Records Act request for the following documents or records:

Records describing, authorizing or mentioning expenses or personnel assignments in response to or accommodation of visits from officials in the federal government between January 1, 2001 and the present.

After reviewing your request, it has been determined that the DeKalb County Police Department **does not** have any documents that are responsive to your request regarding personnel assignments. The DeKalb County Police Department is **not the custodian** of record to your request for expenses. It is possible that Finance Department may have responsive documents to your request. Please contact Dianne McNabb at (404) 371-2745 or email at dmcnabb@dekalbcountyga.gov.

Though we believe that the DeKalb County Police Department has no documents that are responsive to your request, please note that the County and its officials and departments do not produce documents or records that are protected by the attorney-client privilege or the attorney work product doctrine under Georgia or federal law or that are otherwise exempt from production under the Georgia Open Records Act. The County expressly reserves and does not waive any statutory exemptions from disclosure provided by O.C. G.A. § 50-18-72, et seq. and other applicable laws.

Sincerely,

Leslie Finch
